Cost: \$10

Every Week...

Meet New Contacts

Expand Your Network

Grow Your Business

February is QBNG Kick-off Month!

Be there from the start to grow your contacts as we grow the group. We've started out strong - you don't want to miss a thing!

Why Network?

It's more than just passing out a business card. Getting to know the people behind the business helps everyone. Networking will help your business grow and you will help others in the process. This is word-of-mouth advertising at its finest - the most tried and true form! Don't miss out. Visit the group and see for yourself why this works.

Why QBNG?

This is the group that brings the best of networking together and keeps it simple. Meet weekly to truly get to know people and build confidence in referring and being referred! QBNG is an open group that runs with a simple pay per week process; no dues, fees or fines. Come because you want to grow your business while you help others grow as well - for no other reason. To be a member simply attend twice a month and pay a low, one time membership fee.
